

## **Sand Blaster**

Lee Specialties Inc. designs and manufactures equipment including pressure control equipment, wireline skids and trucks, grease injection skids and associate equipment. We specialize in providing leading-edge technology and innovative solutions that surpass our customers and employee's expectations.

We are seeking a skilled & motivated **Sand Blaster** to join our team. This position is located at our Blackfalds manufacturing facility located in the Aspelund Industrial Park where we have a new sandblast tent and a Mod-U-Blast sandblast cabinet system.

### **Responsibilities:**

- Perform a variety of equipment preparation duties such as cleaning, inspection, masking and sand blasting.
- Be physically able to work with a supplied air breathing system and all required PPE while performing the sandblasting operations.
- Maintain the sandblasting equipment in good working order
- Manage sand blasting material inventories and coordinate material purchases with the Supply Chain Department.
- Mask and cover surfaces not to be sand blasted
- Successfully sand blast pressure control equipment, manufactured skid frames/components and other equipment as needed with high quality results
- Ensure high level of cleanliness for areas of responsibility
- During times when the sand blasting is not operational the incumbent will be assigned to assist the production team with other duties (preparing and assembling equipment).

### **Qualifications:**

- 1 to 2 years of directly related work experience in a similar industry considered an asset
- Knowledge of equipment, methods and techniques related to sand blasting
- Good written and oral communications skills
- Certification and/or experience with MP and LP NDT is an asset
- Ability to pass a Breathing Apparatus Fit Test and other physical tests that may be required by regulatory agencies to perform the sandblast tasks.
- Ability to lift / move equipment as needed.

Please provide cover letter, resume, and references with attention to Human Resources

We are an equal opportunity employer.

We would like to thank everyone for their interest, however, only those candidates selected for an interview will be contacted.
